

CORONAVIRUS DISEASE 2020 Update

Greetings to Each of YOU,

We are in one of the most difficult years most of us have ever lived. Our prayer is that all of you, and us, will take very good care and precautions with one another.

This year is our 5th Annual arrogantive™ 5K Trail Run/Walk. We have looked forward to this event every year for the past four years so we may meet with you and fellowship. Our purpose is to gather, exercise, talk, walk, run and have as much fun as we can on a Christian basis. We think we can say with confidence that we did just that for the past four years.

In addition to the festivities, we also contributed to the needs of students in college, donations of hundreds of pounds of food to Rockdale Emergency Relief (RER), made donations to local Cancer fund, and blessed many of the attendees with very nice gifts donated by our sponsors. We love our volunteers, sponsors, supporters, family and friends. Our main focus of concern is always safety first, health, purpose, and fun.

5th Annual arrogantive™ 5K Trail Run/Walk 2020 CANCELLATION

The upcoming 5th Annual arrogantive™ 5K Trail Run/Walk 2020, which is scheduled for Saturday, October 10 (10.10.2020), at the Georgia International Horse Park in Conyers will **NOT** be held this year. During this time of uncertainty, due to COVID-19, we have weighed all the data and find it very difficult to safely protect our sponsors, volunteers, contributors, participants, guests and families. We pray you will receive our decision as how much we are concerned for your health and wellbeing. Every registered participant will receive a 5th Annual arrogantive™ 5K Trail Run/Walk 2020 Commemorative tee shirt.

We will present the 5th Annual arrogantive™ 5K Trail Run/Walk 2020 TEAM AWARD for the most registered participants. All of the guidelines for this award will remain in place for the winner.

Your sponsorship, registration, contribution and/or donation will continue to benefit education and community hunger (through Educational Next Level Funding, INC. and Rockdale Emergency Relief) where the need is currently even greater.

Participation for the arrogantive™ 5K this year has been drastically reduced. This financial shortfall will also hinder our ability to expand for 2020 as we have done each year since we began the arrogantive™ 5K. Please know that we will continue to grow ENLF, INC. as a non-profit and help students. ENLF, INC. will explore other means to raise funds for a cause so dear to us and needed by so many others. Contributions to ENLF, INC. are welcomed and appreciated.

ONE LIFE MAY SAVE ONE LIFE, OR MANY, AND ONE LIFE MAY MAKE THE DIFFERENCE IN YOU AND I BEING THE ONE LIFE, OR MANY, SAVED!

If you have any questions or concerns, do not hesitate to contact us. Any changes or updates will be posted on arrogantive.net. Thank you again and we look forward to your support and understanding during this difficult phase in all of our lives.

Stay tuned for more information!
